

Questions you should ask before or at every IEP meeting!

IEP Checklist

- Are present levels of performance clear?

- How are service minutes being met?

- What curriculum, tools & strategies are being used?

- How is data being taken & who is taking it?

- What are the placement options
(full continuum of placement)?

- Do you need any additional data to make the best
decisions?

- How are accommodations & modifications implemented?

- What is everyone's role to make that happen?

- Is there a CLEAR parent input statement?

- What further training is needed to make the IEP happen
(for both parents & teachers)?

- Do we need to look at further options for inclusion?

- Do we need to look at further options for technology?

- Do the IEP goals make sense and apply to the real
world?

HELPFUL HINTS

- Show a short video or bring a photo of your child to help everyone remember why they're at the IEP table!
- Try to stay as factual and non-emotional as possible (easier said than done, we know)!
- Small changes lead to big results!
